Thank You Notes:

Dear Bro. Jerry & Brandon,

Thank you for being with me during my surgery and praying that they would find a vein and not have to go in my neck. Thanks for all of your visits. Thank you members for the prayers, cards, phone calls, and visits. Without your prayers, it would have been a lot worse. My prayers are with each one of you.

Edith Baxley

Thank you to all of the wonderful members of Northside Baptist and especially to our Moncrief Sunday School Class. Thank you to Bro. Jerry and Gantt Lovins for being with us during my knee surgery. Thank you for all the visits, cards, calls, and each and everything you have done. Most of all thanks for your prayers and please continue to pray for my full recovery. May God bless each and every one of you.

Julia Souter

To all of my church family,

I love and appreciate you all. I'm so thankful for your thoughts, prayers and kind words. May God bless you and yours. Until we meet again, you are always in my thoughts and prayers.

Love, Tammy & Felipe Maldonado

I want to thank Bro. Jerry and Brandon for being there for my surgery and visiting while I was in the hospital. I want to thank the whole church for your visits, cards and prayers.

Love,

Gloria & Ben Tanner

To Our Church Family,

We are so blessed by God to have a church who cares so much for us. You have helped us through the entire trial we have endured with me getting burned and having surgery. Your many prayers have been truly answered. We know this because of the fact I am alive. Not only that but also because of my speedy recovery time. These things are nothing short of a miracle. As many of you may know, I recently had another surgery to restore range of motion to my right arm. We wish to express a special thanks to Brother Jerry for being with me before surgery and saying a prayer for me and also for remaining with Crystal in the waiting room for the duration of my surgery. So, to the congregation and Brother Jerry, we say thank you.

In Christ,

Evan & Crystal Pope
